

PRESS RELEASE

Construction and real estate law expert Klaus Pfeiffer joins Weber & Co. as new partner

The renowned addition to the construction and real estate law expertise as of February 2019 proves the sustainable focus of Vienna based law firm Weber & Co. in the real estate law sector.

Klaus Pfeiffer (38) has been appointed new partner of Weber Rechtsanwälte GmbH & Co KG (Weber & Co.) in Vienna. He is specialised in construction and real estate law as well as real estate development.

Before joining Weber & Co., Klaus Pfeiffer worked as senior associate at DORDA Rechtsanwälte and Graf & Pitkowitz Rechtsanwälte with a focus on public construction law, construction contract law, tenancy law and real estate transactions. Project developments from the acquisition to the letting and the sale of the property were just as much part of his repertoire as negotiations between tenants and landlords, forward purchases and the restructuring of real estate portfolios.

"We warmly welcome Klaus Pfeiffer to our law firm. He complements our specialisation as a commercial law firm with a strong focus on construction and real estate law. The appointment of a new partner is a clear sign of our focus on this important area of law. I am pleased that we can now offer to our clients improved tailor-made solutions for all phases of project developments. Klaus Pfeiffer's extensive international experience and his excellent command of English and Italian complete the picture perfectly" says Daniela Witt-Dörning, partner and real estate expert at Weber & Co.

CV Klaus Pfeiffer

After completing his law studies and a bachelor's degree with a focus on Italy at the University of Salzburg (2005), Klaus Pfeiffer completed a master's degree in International Business Law at prestigious University College London (2007) and passed the bar exam at the Higher Regional Court in Vienna (2009). He is the author of numerous publications and a regular lecturer in construction and real estate law.
